TEACHING METHEDOLOGY ADOPTED		EXTRACURRICULAR METHODS adopted for teaching
1	Teaching by pre declared date wise teaching plan	1. Poster competition
2	Lecture and blackboards method	2. Science exhibition
3	Power point presentation by projector	3. Research lecture competition
4	Distribution of photocopy of summary of lecture	4. Chart – Model competition
5	Lecture with demonstration of chart, model	5. Guest lecture
6	Project given to students to submit as scrap book	6. Field visit
7	Classifying student in weak and strong student	7. Class teaching by students once a week
8	Case study by practical and theory on same topic	8. Preparation of herbarium by students
9	Conducting remedial classes	9. Students participation in aware- ness rally such as Environment, health, improved agriculture, Javik kheti
